SUMMARY

Full-stack web developer leveraging background in sales and customer experience along with time spent in incorporating friendly UI experience. Earned a certificate in Full-Stack Web Development from the University of Washington. Humble, easy-going but determined problem-solver who is effective in time-management and judgment in prioritizing certain tasks over others. Strengths in cooperation, organization, and the creation of various projects from ideation to execution.

EXPERIENCE

Foreign Coin Department Manager
Tacoma Mall Blvd Coin & Stamp

2011 - Present
Tacoma Washington, 98409

Went from knowing nothing about coins in general to being the only one able to identify many types of foreign coins with ease.

Key Accomplishments:

- Successfully reorganized the entire store's inventory of foreign Coins and Currency, promoting sales due to ease of access to the product.
- Acquired many loyal, returning customers.
- Became an asset to the company based on the knowledge gained over the many years.

EDUCATION

Certificate, Full-Stack Web Development Bootcamp -- University Of Washington

Tacoma, WA

High School Diploma -- Curtis High School

University Place, Washington
