SUMMARY

Full-stack web developer leveraging background in sales and customer experience along with time spent in incorporating friendly UI experience. Earned a certificate in Full-Stack Web Development from the University of Washington. Humble, easy-going but determined problem-solver who is effective in time-management and judgment in prioritizing certain tasks over others. Strengths in cooperation, organization, and the creation of various projects from ideation to execution.

EXPERIENCE

Foreign Coin Department Manager   **2011 - Present**
Tacoma Mall Blvd Coin & Stamp   **Tacoma Washington, 98409**

Went from knowing nothing about coins in general to being the only one able to identify many types of foreign coins with ease.

Key Accomplishments:

- Successfully reorganized the entire store's inventory of foreign Coins and Currency, promoting sales due to ease of access to the product.
- Acquired many loyal, returning customers.
- Became an asset to the company based on the knowledge gained over the many years.

EDUCATION

Certificate, Full-Stack Web Development Bootcamp -- University Of Washington   Tacoma, WA

High School Diploma -- Curtis High School   University Place, Washington
